

ZEKE TROLLEYS

Sandeep Indulkar  
CEO & CO-FOUNDER

## CEO MESSAGE

“ZEKE invented to meet the constant demand in the hospitality industry in UAE and to the world. We craft high-grade hospitality trolleys in our Manufacturing unit in UAE, China & India. Local Manufacturing of zeke trolleys help to position us as one of the cost-effective hospitality trolley manufacturers in the Middle East. Our customers can easily avail of a host of benefits, be it in terms of price, quality and after-sales & services,”

## About US

---

### The Profile

ZEKE means 'Pure' in Arabic. Zeke trolleys brand of trolleys is a quality product offering by ZEKE to meet the constant demand in the hospitality industry in UAE and the world. We craft high-grade hospitality trolleys in our manufacturing unit in UAE, China & India.

### Our Vision

Our core vision is to invest into the growing economy of the UAE and contribute in return to GDP of the country. And our goal is to be the most sought-after hospitality brand and to be a reliable supplier of superior hospitality products in the Middle East and across the globe.

### Our Mission

To be known as a customer-centric company that offer customers the best of products that is innovative, durable and affordable. And maintain transparency in all our dealings. In addition design and develop sustainable, cost-efficient hospitality products and services that totally satisfy customer expectations.

# Why Zeke?

ZEKE trolleys are one of the very first brands that is locally designed and developed in our high-tech manufacturing unit. So by choosing to buy brand Zeke, customers can enjoy multiple benefits like excellent quality, durable and ergonomically designed trolleys at a reasonable price.

We are passionate about our products and customers and it reflects in the professional service that we provide. Team Zeke provide the best service in the industry and are quick on delivery. Our experts in the R&D unit, based on their years of expertise pay attention to detail from the ergonomics of the design to the manufacturing process of Zeke trolleys for customers' usage, comfort and convenience. Replacement of spare parts can also be attended to promptly by our skilled technicians.
